

Witnessing by the Spirits Power

Witnessing to others can be a frightening experience. However, the scriptures teach us that we should find the power, comfort and strength as we witness to others because the Holy Spirit is with us as written in Acts 1:8, **“but you will receive power when the Holy Spirit has come upon you; and you shall be My witness both in Jerusalem, and in all Judea and Samaria, and even to the remotest part of the earth.”** This is part of God’s plan for us individually and as a church. He has properly equipped us for this task. It is important that as a church, we continually remind one another of this fact to help remove any apprehension we may have in witnessing to others.

Knowing this should make it easier for us to at least share our personal testimonies with others as to what God has done and is doing in our lives and church. Brother Bob gave us an illustration or analogy just this past Sunday when he told us how eager we are at times to tell a friend, family member or neighbor about a great movie we have just seen and how highly we recommend it. We emphasize on how they need to go experience it. I should be just as exited to tell others about how God has changed my life. The peace, joy and fullness that my life has due to my personal relationship with Him and how they need to experience the same. What a great privilege it is that He not only chose but equipped us in a mighty way to witness in His name, that He will get all the honor and glory. We serve an awesome God.

Witnessing by the Spirits Power. Amen!

God bless you,

Carlos
