

## Kindness Rocks

A kindness rock is a rock painted with a positive message; the goal is to promote random acts of kindness. We also took this opportunity to tell others Jesus loves them. The children dropped the rocks around parks, trails, and stores, to be easily found. We hope we made someone's day a little happier.

The children have been working on decorations and practicing their special performance for your entertainment at the Turkey Dinner , Saturday, November 4<sup>th</sup> at 4pm. You're invited to come out and enjoy fellowship with family and friends.
