

We had an wonderful VBS this year. Thank you for all your love and support. We are blessed with many wonderful volunteers that return year after year to make this a success. We could not do this with out the entire church family. We had 30 children every night. Some may view this as a lot of money and work for a small group of children, I'd like to share some wonderful news about the ripple effect that VBS has on children. This year as I put together the list of volunteers I noticed that we had 10 young volunteers ages 12-20, that were in lead positions, some have been volunteering since they completed 5th grade, the last grade for attending VBS as a student. This is amazing, this is how we make a difference in this world. One child at a time. We planted the seeds and we are making a difference. If you ever feel like we are too small of a church to make a difference, please remember that God will use all for His glory. We are truly blessed.

Thank you again for all you do for our children.
