

True Worship

John 4:19-24

(Isaiah 1:11-14; Isaiah 29:13; John 14:6)

- **Actions, rituals, or ceremonies do not equal worship**
- **True worship is our heart's response to who God is and all He does**
- **The Spirit of God ignites a heart of worship within us**
- **To offer true worship we must be filled with the Spirit**
- **Jesus is the Truth**
- **Who we understand God to be affects our worship**
- **Knowing the real Jesus transforms our worship from a required ritual to an overture of love**

- **"...true worshipers will worship the Father in spirit and truth..."**
- **John 4:23**
